

2010 Distinguished Member Award

Sponsored by: Washington State Health Information Management Association

Information:

The purpose of the WSHIMA Distinguished Member Award is to recognize any member in good standing of the Washington State Health Information Management Association who exemplifies the professional image of the Association and has participated at the state, national and/or international level in one of the following criteria indicated below.

Qualification Criteria

- a. Contributed in bringing recognition to WSHIMA as well as the individual
- b. Exemplified exceptional or outstanding service well above expectation
- c. Developed innovative administrative and/or management techniques
- d. Pioneered the advancement of HIM professionals in traditional and/or nontraditional settings

Instructions for Completing the Application Process

Any individual who meets any or all of the criteria may be nominated as a recipient of the award by individual members, groups of members of WSHIMA; WSHIMA Board, or local associations. Please submit a letter of support of the nominee's qualifications to the President of WSHIMA by **March 1, 2010**.

The WSHIMA Board will review the nominees at the Board meeting prior to WSHIMA's Annual Meeting. Selected member(s) will be notified by the President of WSHIMA and will be invited to WSHIMA's Annual Meeting to receive the award.
